“ *My sympathy in the loss of your loved one. I dont know you but wanted to tell you that just recently my aunt told me that my uncle was on the ship the USS Willard Keith during World War II. We were just talking about this just before I read the obit. I am always sad when another of the greatest generation passes. Where would we be without their bravery? My aunts memory is fading, sadly but she remembered the Willard part. Again, my sympathy and my thanks to Tom Rutherford for his service.*
