

## Alice Roberts

September 12, 1942 - March 8, 2022

The world lost a beloved mother, grandmother, and great-grandmother on March 8th, 2022, when Alice Roberts passed away at 79.

Alice battled breast cancer and kidney disease like a champion. She never let it stop her from doing all the things she loved! She loved to draw, shop, play bingo, and spend time with her friends and family.

Alice was born September 12th, 1942, to Harris and Violet Refsland in Boise Idaho, she had four brothers and two sisters. She is survived by her sister Virginia Berkheimer and her brother Lee Refsland.

As a young girl, her father was in the service, and they spent 2 years in England and 2 years in France. She visited Germany and Holland while living in Europe and she was just in awe of the beauty of these countries. She was a cheerleader, which was not surprising because it really fit her personality! For over 25 years Alice lived in Newman, California before moving to Turlock, then to Bend, Oregon which is where she lived until she passed. Alice worked in the food industry her entire life until retirement. She was a feisty gal. She loved to go to the Senior citizen center and play bingo, and she would always win when she went to the casinos! She will be missed.

She is survived by the children she so loved: Her Daughter, Deborah Roberts

Dillow and husband Mike Dillow (Bend, Oregon) and her son, Michael Avila and wife Laura Avila (Salem, Oregon) Her grandchildren Steven Valentine, Kyle Coffman, Chase Coffman of Bend Oregon. Chris Coffman of Des Moines, Iowa and her beloved 14 great-grandchildren!

Her shining light will live on in our hearts.
