

Alma Dean Hunt

May 3, 1932 - August 18, 2019

Alma Dean Hunt was born in Glenwood, Arkansas on May 3, 1932. She married Thomas Eugene Hunt on February 7, 1953 in Springfield, Oregon. They spent the rest of their lives in Gilchrist, Oregon.

I'm sad to say Mom died Aug 18 2019. She left behind two children, eight grandchildren, and 18 great grandchildren. Needless to say she will be missed, but I know she is in a better place.

We will be having a graveside service at 2pm in the Greenwood cemetery NE 12th St . Bend Oregon. Sunday August 25th

“ *My Aunt Dean was the best Aunt ever. You could always go to her with any problem or concern, but be ready because if you ask she would tell you just what she thought. I loved her lots. When her sister died (my mother) I told her I didn't know how I could do without a Mother , so I told her she would just have to be my "other" Mother. I also told Belinda she would have to share. She said okay, I love her and Tom and their families so very much too. So we will have to have family get togethers so we can all remember the good times and great food Love to all who LOVED her.
