“ Eric, Thor, and Kim, I am sorry to know Anki is no longer with us. She was such a great lady and fun friend! I always looked forward to her visits back to Kauai until her memory failed her. I have lots of happy lunch photos that we shared over the years with Virginia, Barbara, Ingrid, and Devi, but oddly, this morning this photo showed up and I decided that is the one of just her with her dreamy eyes and demure smile. Sending you all my love.
