“ To Barbaras family. My name is Karen, and I was Barbaras dental hygienist for many years. After I retired, 3 years ago, we continued our get-togethers over lunch. She loved Cafe Yumm. I saw Barbara before embarking on a month long trip to Alaska, returning a few days ago to see her obituary in the paper. I send my heartfelt condolences. We had many laughs over the years, and oh how I enjoyed her sense of humor, her Amazing alertness, her support of whatever endeavor I was attempting at the time. I will miss her dearly, she was like a mother to me also. She talked so often of her family and the love she had for all of you. Again my condolences, she was a wonderful and amazing woman! Karen
