“ To Barbaras Family, I knew Barbara from real estate dealings in the 1990s and then she befriended our family. I keep a picture she took of my three boys on her deck with a frog being their interest hanging in our bedroom as it just captured a fun moment. It reminds me of them, but also of her. We also used to have lunch occasionally at Chinese restaurants. She was very insightful and honest with me. Its a rare thing to have somebody confront you over an issue and know they told you the truth because they were looking out for your best interests. I will always treasure time spent with Barbara and Im sorry to learn of her passing. She made an impressive mark of love on my life and I will miss her. I send my prayers of comfort and condolences to the family. Susan Smith
