Christian Karl-Heinz Schuster

Passed - June 21st, 2024

Born July 26th, 1950, in Rehau, a small town in Bavaria, Germany, to Greta and Phillip Schuster. At the age of 16, Christian immigrated to the United States and settled in California with his mother and brother Horst. Christian's love for skiing and outdoor activities took him to Northern Arizona University where he graduated and decided to move to Oregon to study Chiropractic Medicine at Western States Chiropractic College. In 1982, Dr. Schuster had a chance to enjoy the great outdoors that Bend, Oregon had to offer. It was then Christian made the easy decision to move to Bend and start We Care Chiropractic, a clinic to help serve the great community of people that enjoyed the very same outdoor activities as he did. Skiing in the winters, windsurfing in the summers, riding bikes, hiking, swimming, camping, singing and playing his guitar, Christian enjoyed life and he enjoyed it with his friends and family. Christian is survived by his brother Horst, two sons: Christian and Dustin, along with daughter in-law Melissa and grand kids: Adelaide and Isla. We will celebrate his life with one last ski run in spring 2025 at Mt. Bachelor; an email has been set up for those that would like to share memories or receive more information about his service. “ Chris (as I knew him) was my first love. We touched base through the years and he would express the love he had for his boys and later granddaughters. I will always have a place in my heart for him and pray for the family to cherish all the good memories. 🙏🙏💔
