“ *What wonderful memories of Bud in the pharmacy at BMC. Always had such great conversation with him about family and Bend. My Dad had a great friendship with him. My last conversation with him was on the phone and I won't forget it. So sorry to hear of his passing. Marcia my thoughts and prayers are with you and your family.*

“ *I want to add my sincere condolences to all of the family. I was a customer of his for the 25 years that my husband and I lived in Bend. (1979-2004) He was always there to give sage advice and a kind and caring word when needed. We had foster kids and I asked him many medical questions. He treated all of his customers with such patience. I remember how proud he was when they opened the new store. He will be missed. You are all in my thoughts and prayers.*

“ I worked for Bud and Marcia Rose at the pharmacy for several summers while attending nursing school, back in the late 80's. They offered me a job and believed in me more than I believed in myself at the time! Bud was generous, kind and taught me not only about the pharmaceutical industry, but also about how to treat others with respect and the importance of a great work ethic. I still appreciate and remember Bud (and Marcia!), and the kindness they showed me many years ago. Your family and this community have lost a wonderful man, and he will be very missed. My thoughts are with your entire family at this time. With much love, Tracy (Reid) Corrigan

“ To the family of Bud Rose. My name is Jeff England. First, let me say how sorry I am for your loss. In my eyes, Bud was a wonderful man. I met him several years ago when he hired me to assist with some of his business interests and we seemed to have an immediate "connection". I also considered him to be a friend as I felt we were kindred spirits in many ways. I admired his way of doing business and I equally admired the life he had built for himself and his family. I particularly enjoyed the stories of how things were in Bend, back in the day. Although we lost touch over the last few years, I've thought of him often and certainly with utmost respect and admiration. Please accept my most sincere condolences for your loss. Jeff
