“ *My favorite bus driver, so many years ago. He was so good to all us kids. Prayers to the family.*

“ *Very fond memories of a hard working farmer, Bend school bus driver and uniquely funny man who sponsored some of the best Halloween parties on the family farm for us when we were kids. So sorry to hear about Dans passing but know he touched many lives in a very positive way. Our thoughts and prayers for the family, God Bless.*

“ *Dannys memorial at Pine Forest Grange certainly was a gathering of Deschutes County pioneers and Old-Timers! I visited with a number of family members and missed some until another time Mary and Dorris (Kojo) Vodvick were there, and they had a chance to visit with Dannys sister, Helen. It was such a venerable and precious remnant of my remembered past. And the stories about Danny were also poignant and illustrative of his life, and his way of being in-the-world!*

“ *Pokojni Dane, Zaljubljen Fant! I grew up with Dane, with its Slavic pronunciation, and treasured the many years of visiting with Danny, and with the whole family. Millies chili is still a central Oregon treasure. When I visited the farm it was always a pleasure to see the vintage John Deere tractors, and a lifetime of treasures. Dannels rendition of The Auctioneer song has always been a delight to hear. He kept the family heritage alive, and is a core part of Central Oregon Heritage, and the Pioneer Spirit. For the whole Family, we grieve with you John R. Klobas Prav Za Res!*

“ *Central Oregon lost a treasure in Danny! He was so kind and generous as a bus driver when I was growing up. He was always ready with great jokes and a manner that always helped build self esteem in us children. He was a great farming and family friend for so many years. I havent seen him in years but he will always be a special part of my best childhood years. Prayers and thoughts to his family in their loss.*
