“ Darlene was a lovely lady to know and spend time with. I loved sewing for her! Her spirit was generous!

“ To the Darlene Child Family I would like to express my sympathy to the Darlene Child family. Though I did not know Darlene very long, what I remember most is her kindness and friendliness. When I became a Red Hatter she welcomed me into her home with such friendliness and acceptance, and I really appreciated that. Then she showed me around her lovely home. I will leave her family with this thought, know that she is in a better place now, free from pain and the cares of the world. My prayers will go out to you all for a beautiful service and for the familys healing as well. May God be with you all. Sincerely, Inez G. Winter
