

Debra "Debbie" Lynn Swint

October 16, 1959 - May 1, 2020

Debra "Debbie" Lynn Swint passed away peacefully on May 1, 2020 in Bend, Oregon. Debbie leaves behind a family whom she loved endlessly - mother, nana, aunt, fiancé, cousin - and then friend to everyone. Debbie loved fiercely and intensely. Something she passed to all her 5 children. This love, that cannot be replaced, will be extremely missed.

Debra was born in Phoenix, AZ to Bobby and Janice Swint on October 16, 1959, sister to Wanda, Sandra and Bobby. She leaves behind her five children: Misty (Billy) Showen, Brandon (Donna) Payne, Cory (Brittany) Swint, Robby (Alicia) Swint, and Deenie (AJ) Kilburn as well as 13 grandchildren and 9 nieces and nephews. She also leaves behind her "adopted" children and fiancé Lonnie Loucks.

Among many things, Debbie loved her iced Pepsi's, Chinese food, and Hershey bars (without almonds!). You could always catch her up late watching her shows - I Love Lucy, Law and Order, and Golden Girls. If you ever saw Debbie, you can guarantee you saw her dressed in some shade of purple. Purple was her signature color. She also got the endearing nickname "penguin" from her loving and yet obnoxious children she loved so dearly. Her dog Dinky was her companion that she loved to dote on. Family was her heart!

We will all miss you dearly Mom/Nana. We will continue to celebrate you through every holiday and all celebrations we have as a family.

Niswonger-Reynolds is honored to serve the family.

“ *I can't believe it'll be a year that you've been gone momma. It's not been and easy one. All of us miss you so very much! I really wish that you were here and that I could visit or even just call you. I'd do anything to be able to send you your favorite Chinese food, or another purple blanket. I know that you're not in pain anymore, but I'm selfish and really just want you here. I know life was hard and you had a lot of hurt, but I also know that we all shared a lot of fun and good memories with you as well. I hope for your angel anniversary you have a huge party with everyone we love that's up there with you. I love you momma, Bubba*

“ Can't believe it's been just over 2 months since you passed momma. I know that you're in a better place, but most days I just feel hurt and angry that I can't call or text you. You are so missed and loved deeply. I pray that you're getting to visit everyone and having the most amazing time now. I know I'll see you again, it's just hard is all. You always taught everyone of us (family, friends, people you didn't even know) that love and acceptance is the most important thing. Though times in life were hard, you never said for us to give up. I know all of us miss you. I know I miss you. So until we meet again, enjoy the beauty of eternity and peace in Heaven. I love you momma... Love Bubba (your little freak of nature)

“ Aunt Debbie was always there for me when I was a kid! Our song was Song of the South by Alabama!! We would sing it as loud as we could driving down the road with her foot hanging out the window... lol. One of my favorite memories was when I went cliff diving with her. Can anyone believe that. Aunt Debbie climbed to the top of a cliff at Angels Falls and jumped off into the lake below!! If you knew her you would know how out of character that was for her to do. Yet she did it and I am so happy that she did it with me!! Another favorite memory was when I was about 16 years old. We were driving in Modesto and I was wearing my favorite Garth Brooks hat. The hat blew out of the window. Most people would have said the hat was lost. Not my Aunt Debbie, she turned that car around faster than anything and found my hat!! I will always love you and I'll always regret that we didn't get to spend more time together as adults!! Would of loved to have a beer with you while you drank your Pepsi!! Love you aunt Debbie!! You'll be missed dearly!!
