“ So very sorry to hear of Dianes untimely passing Diane served as secretary of the Deschutes River Woods Neighborhood Association (DRWNA) during my tenure as president. I worked closely with her and knew how difficult her struggle was with her health during that time. Diane was also a classmate of my husbands (Greg) at BSHS and we both sat and chatted with her and here friend Julie at the last class reunion. I am happy I had this time with her the last time I saw her. She seemed very happy to be out and about seeing old friends. She will be missed by all who knew her!

“ Im sad to hear of Dianes passing. She and I used to like to laugh about the time her dad pulled my dad and I out of the river after our boat sunk. I always enjoyed her friendly smile.

“ Diane passed peacefully in her sleep after dealing with an illness for quite some time. She is survived by 3 brothers Greg (Carla), Jerry (Peg), Gary (Marlene) and life partner Dean Woody Woodall. She was born on Hospital Hill (old St Charles) in Bend. She attended Bear Creek, Pilot Butte Jr Hi and graduated from Bend Hi in 1974 as did her Dad and her brothers. Most of her life was spent in Bend and she worked many different jobs. Her life was an adventure and she lived out of state for a while, but was not gone long and returned to Bend. She loved spending time in the outdoors and especially rock hunting and hiking with her friend Julie. fishing with her dad (Dean) was also a favorite pastime. Reading and books was a lifelong passion that she acquired from her Mother (Jo) and she loved animals and always had one or two horses, cats, dogs, etc. She was a very private person and did not like large events or presentations, thus our celebration of her life. Small and simple with friends and family gathering to share stories. Please feel free to join us.
