“ We are sad. A treasured friend and treasured neighbor has placed an emptiness in our hearts. A fine, good man. We will always have him in our hearts. We will never forget Don's delicious BBQ's or times celebrated with his wife, family, friends. God's Peace rest on Don's family and friends. Howie and Annie

“ We are sad. A treasured friend and treasured neighbor has placed an emptiness in our hearts. A fine, good man. We will always have him in our hearts. We will never forget Don's delicious BBQ's or times celebrated with his wife, family and friends. Or his gentle knock on our door for an afternoon visit, sometimes late mornings. Just checking the status of our lives. God's Peace rest on Don's wonderful family - and friends. Howie and Annie
