“ Hello! Thank you for your email! I do remember you! Yes, Craig was killed in a car accident in 1982 at the age of 30. It was such a sad time. Mom and dad had moved into Hoquiam a few years after dad had a stroke, but whenever we go to see my cousin Patsy, as we drive by your old house I think of your mamma.. It seems that she was out a lot with her wide-brimmed hat, mowing ! Burrows Road was a wonderful place to grow up. I think of the freedom to roam that we had! thank you again for writing Jan

“ Hello, Janis, I am so sorry you had to say goodbye to your mother. She and my mom (Aino Lunsford) worked at the Aberdeen bank together and became very good friends. Your parents and mine, for many years, went places together and all four were good friends. I so liked both your dad and mom. They came to my wedding, and since my parents (Bob and Aino)) died I, had wondered where your mom lived. I am reminded of them when I see my folks slides or old movies. My sympathy is with you, but knowing they trusted God and His promises, know all four are together again, totally alive. Heaven is For Real!
