“ Gert, I am so very sorry to hear of your loss. I remember how we pulled for the trap shoots for Neals group and how he operated on my little Jason. Doing the trap shoots sure helped the pre-school out. And knowing that Neal was caring for Jason made my mind at ease. Thanks for being a part of a wonderful family! I have many fond memories of all the wonderful things you always did for others. I hope that you are having friends do wonderful things for you during this time of loss. Sending positive and loving thoughts your way.  
Your friend, Sally
