“ I first went to Dr. Rogers in 1970. He delivered my daughter in 1971. He was always honest, kind, gentle and very professional. He also treated my mother and later my daughter. There will never be another as great as he was. My deepest sympathy goes out to the family and close friends.

“ I was honored to work with Dr. Rogers in his office, as his RN, from 1989 to 1994. He was truly a kind and wonderful person as well as being an excellent physician. My deepest sympathy goes out to his family. I know he will be dearly missed.

“ *I knew Steve well as a friend and and fellow physician. He was a shining example for us his juniors to emulate. He provided care to members of my family and I was honored to reciprocate as he physician. Our community was well served by this kind and gentle man. He will be missed. I owe much to him. “ *I knew Steve for several years while at St. Charles. I believe he was the first ob/gyn specialist in central Oregon. He assisted me at surgeries frequently and I enjoyed his presence in the operating room. I met Pat on several occasions and they were always kind and jovial together as a couple. Steve will remain a part of the fabric of medical care in central Oregon. It was a pleasure to know him. David Redwine, M.D.*
