“ Emily was a wonderful person and teacher who always saw the good in life. Her laugh was very infectious! I knew her when we both were part of the Bend-LaPine School District and as Superintendent of Spray later on. Emily provided the special services our students needed in such a remote area. The students and their parents loved and respected her. Emily will be sorely missed but she has gone to a better place! Judy May

“ I was sorry to read about Mrs. Moores passing. She was my special education teacher at Bear Creek School in Bend for 4 years. She helped me to overcome some learning difficulties. Later on, after high school, I raked her yard and did clean up work around the outside of her house. She was a friend I'll never forget!

“ We are so sorry to hear that Emily has passed from life on earth. We know she is in a better place, but she will be missed down here on earth. I can think of no one who has touched as many lives as Emily. Her work on earth with special children and her music have touched thousands and thousands of lives!!! Life is like a ripple, one life touched spreads to others and then to others. So, I know that millions will be touched by her kind and effective teaching and her music. I am sure that she has done many other things to help make our world a better place. Heaven is lucky to have her up there!
