“ Faith Waterman was my Mother-In-Law. No man could ask for a more loving person to be as a Mother. She took the place of my own Mother whom I lost 18 years ago. I loved her also and will miss her as much as I miss my Mother. In Loving Memories. Bill Morley

“ My Mom was bigger than life even though she was all of 5'1, she was a sweetheart. She loved her family, every single one of them and she was a Nanny who treated her little charges as family. She loved her life, loved her home, and loved the Lord. I may not be able to hug her, but I still let her know I love her, by being the daughter she knows me to be and to continue making her proud. Love you, Mom~forever, gloriajeanne

“ Grandma had the neatest sense of humor. We could get the giggles about the oddest of topics. I also loved how she dressed so beautifully. Papa Joe would buy her these classy business suits for her work as an accountant. She was such a touch of class, inside and out. We miss you Grandma. Love, Kerri
