“ Flo and I carpooled together from the City of Walnut to our job in Downey California in the seventies. She was a smart and gifted mother figure who helped me grow from a backwards Ohio girl to a woman with confidence. These are two of my favorites of the several bulbs and plants Flo gifted me, still blooming strong in 2025, in her memory. We shared a closeness that will keep her presence and my admiration of her character forever alive in my heart.
