“ My sympathys on the loss of your mother. When you called, you forgot to leave a phone no. and the Scoggins ph. no. doesnt appear in the directory, so I couldnt call you . I am sorry about that. I am having a housefull of company on the 14th and will be unable to attend the services, or I would plan to be there. I have good memories of my times together with your parents from so long ago.

“ What a sad loss for the family. Marian was a great lady. She was the best neighbor Mom and Dad could have wished for. She was such a kind and caring person. We missed her when she moved and now we miss her even more. May your family find comfort in all the good memories.
