“ Gary was a wonderful man. I am honored to have known Gary. He was one heck of a builder and quite a "jack" of all trades. I enjoyed having coffee with him 3 days a week for several years. He was quite the cook and a loyal and dedicated friend to many. I always enjoyed his stories of travels and days past. You are missed, Much Love!!!

“ I was very sad here gary passed away. I was Gary's room mate at o.l.t. We rented a apartment together and I really enjoyed gary as a friend. After we left collage, we only saw each other maybe once, but I often think of our times at o.l.t. he was a very nice person I know you all must miss him a lot! Gary's friend, Mike platz

“ Of all the contractors I have worked with over the years Gary was the sweetest kindest man of all. Never will there be another like him. It saddens me deeply the community has lost this sweet decent man. There is a special place for you in heaven.
