“*Capt. Pat was a great pilot - I know because I was Flt. Engineer on his plane and flew with him on 30 missions during WW II. A great "straight shooter" and gentleman, leader among men, and was respected by all of his fellow flyers. The world will sorely miss him. Our sincere condolences to his family.*

“*I would like to express our sympathy on Pat's passing. My wife Gabrielle and I were fortunate in enjoying some nice visits with him over this summer. He and Dee were good friends of my parents, Phil and Mary Ann, as both he and my dad were retired Air Force officers. It was always a pleasure seeing Pat over the years, he was a fine fellow and had a good long life, and it's sad that he's no longer with us.*
