“ I do not know Grace but my friends from Lake Oswego Junior High have told me about her death after I left LOJ to a new school. It's sad to hear that she and her mom passed away in 2017. What I understood from what people said about her was that Grace was a kindhearted person. I am sorry for her family's loss on losing her and her mom.

“ It is so sad to hear of Grace's death. I am a friend of Linda's (her grandmother) I know how much she was loved and cherished by her family. God bless you all. May he hold you all in the palm of his hand.

“ Please accept my sincere condolences for the loss of your beloved daughter, Grace. No words could ever convey the pain of your heart but our loving Creator and Heavenly Father does know. He has promised that very soon this enemy, death, and all the things that bring our hearts pain will be a distant memory. Until then please find comfort in knowing that "He (God) is close to the broken hearted and those crushed in spirit he saves." It is my hope that these passages, along with your loving memories of Grace, comfort your hearts and give you a measure of peace during this most difficult time.
