“ A special man of the Greatest Generation. Raise in the poverty of the Great Depression, tempered by WWII, he helped to build a trucking company and Ski industry. He taught me how to ski powder and change truck tires. Monica, Maria, Steve and Stan out thoughts and prayers are with you. Such great memories of ski trips. Love you cousin Dave

“ Maria, Monica and family- We send our condolences to your family for the loss of your father. What a blessing he lived to be almost 99 years old! It sounds like he made many service contributions to the community. Thinking of you, The Schiemer Family
