“ Dear family of Jay... My deepest deepest sympathy! I absolutely adored your son, your brother , your uncle ! The joy iof taking him with me to Norway was unforgettable! My family in Norway is so sadden to hear this and they are sending their condolences! He played a mean guitar on a potatoefield in Norway so I could get some reindeer antlers! He is so missed ! My children loved home and my new man loved him! Duff bought by chance a guitar from Jay 12 years ago .. so we went full circle in so many ways...

“ Dear June and Jim, Our hearts go out to you on this Christmas Day, and we send our profoundest sympathy at the loss of Jay. I remember the first time I saw him--a cute little freckle-faced redhead, aged six. We hope memories of happy times together will help ease the sadness in time. Love, Susan and Art
