“ I shared 7 years with your Mom, Jean at Touchmark at Mt. Bachelor Village, where I served as the Life Enrichment and Wellness Coordinator. We had so much fun together: Hiking, adventuring and eating out around our Central Oregon communities. I drove the bus with your Mom and others to: Crater Lake, the Cowboy Dinner Tree, Sisters, Black Butte, Suttle Lake, the Cascade Lakes and more. I also taught exercise classes and planned social events that your Mom attended regularly. She was a gem and a joy to spend time with. I will never forget my moments with Jean and wish you comfort as you remember her in your hearts.

“ Dear Crowell Family, I am writing to tell you how much I loved your dear parents. When Jessie, Cameron and Molly were at Amity Creek they often came in to the school. In the years after that I would see them from time to time in the grocery store and we would stand in the aisles and remember when the children were young and your dad would tell all nature of stories. Jean just listening, smiling and shaking her head. If there is a place called heaven they are certainly there together now. I want you to know that I remember Jean and your entire family with great affection. May your hearts be at peace as you navigate this loss.
