“ I worked with Jennie at the Deschutes County Juvenile dept. Jennie was always so sweet and funny. She was always working on some project and always made the staff presents. She made me a needle knit Kleenex box cover in my favorite colors that I use in my office. I am so happy that I got to know Jennie. She will be greatly missed.

“ I was fortunate enough to know Jennie during her many years as a dedicated volunteer at the Dennis Maloney Juvenile Community Justice Center. Jennie LOVED to tease, and to be teased! Jennie was always at the department, on time, and ready to greet all those who entered the building and looking confused! Jennie will be greatly missed

“ My name is Gayle, and Ive worked at the Juvenile Department for 23 years. I just wanted to say how sad I was to hear about Jennies passing. She was organized and bigger than life.; she always had a story to tell. It amazed me how, in the winter, she dug her car out and never let the weather stop her from showing up for work. She did so much for the kids, for the families coming and going, and for the staff here at the Juvenile Department. We all have individualized needlepoint Kleenex holders to remember her by. She will be greatly missed. Thank you for sharing her with us.

“ I knew your mother from her volunteer work at Deschutes County Juvenile Community Justice. She was treasured by all of us. She was never shy about teasing me. She was a delight and I will miss her.

“ I worked with Jennie at the Juvenile Community Justice building. She was always a joy to talk with when you came in the door. She always had a story to tell and ALWAYS had some kind of needle point project going. She was also very kind and giving as she always gave away her projects. Jennie had a great sense of humor and could figure out a way to tease just about anyone in our department. She was a treasure for our youth and families who would report to our building sometimes not under the best of circumstances and always kept the candy jar full. Jennie also spent time teaching some of our youth how to knit and other craft projects. She will be missed and I will also miss how she would decorate the entry way for all the holidays.
