“ So sad to read about Joans passing. So sorry I hadnt seen her since she moved from Prineville. I will have fond memories of her & Les as we sure had wonderful times playing golf at Quail Run GC in the early nineties. Hopefully, theyll both cross paths with my husband, Jim, who was taken from us in April of 2014 by melanoma. Im sure theyll play golf on a perfect course & have perfect for rounds of golf! Aloha

“ Betty and I shared many good times with our good friends Joan and Lester. I attended many shooting events with them and we took a couple of vacation trips with them to the California redwoods area and to Northeastern Oregon. We also were able to visit with them numerous times after they moved to Prineville. Our condolences to Joans family.
