“ *Judy-, Im so sorry to hear about Jack. I know he was not well for a long time but seemed to maintain his cheerful outlook on life. My son, Tedd, had Jack for a teacher in the sixth grade at Kenwood School. Probably one of the best years he ever had. I am on an extended trip and will be gone when you have Jacks service but I will be thinking of all of you. We need to get together when I get back.*
