

John David Picchetti

September 30, 1934 - February 7, 2014

John David Picchetti passed away February 7, 2014 at the age of 79. John was born to Attilio Picchetti and Olga Boilini in North Judson, IN on September 30, 1934. He resided in Bend, OR and St. George, UT. John lived an illustrious life. After a long and successful career as an investment adviser, he fueled his interests in geography and anthropology by traveling the world. With each trip he gained lifelong friends and new facts for his vast catalog of trivia with which he loved to stump his friends. John will be remembered as an honest, fair and caring man who lived life to its fullest. John was active throughout his life. He was a pilot, and he enjoyed participating in tennis, hiking, skiing, and basketball. One of his favorite past times was riding his bike to meet his friends at Starbucks for his daily Frappuccino. As an avid Oregon Duck fan, he looked forward to football games at Autzen. But most of all, John loved to spend time with family and friends. John was a philanthropist for his country and community. He cared for everyone equally and dedicated his time and resources to the Salvation Army and St. Charles Medical Center. John is survived by his children Kary Shemesh and Eric Picchetti; grandchildren Kyle, Nicole, Marco, Lola, and Nalah; sister Kathleen Paras and wife Leaf Picchetti. In lieu of flowers, the family asks that memorial donations be made to the Salvation Army at .

“ Our sympathy to Leaf and all of Johns family. We have many great memories from over 65 years of knowing John. Talking of the old home town, pilot talk and remembering Longs air strip. Remembering high school days and friends and since. Thanks for the great memories, John, a great guy!

“ Our sympathy to Johns family, Leaf, his children and extended family. We will miss our sometime visits and email chats. John was always fun to visit with and we enjoyed talking about old times back in our ol home town, and especially the flying times with Bob and keeping him up to date on class mates. A very genuine nice guy always.
