“ I will miss you here, but I know you will still be a light for so many! Love you Judy and thank you for everything! Every time I see Rocky I think of you and the friendship we had. Keep watching over us! I wanted to share his life and goals met with you. This is not the way I wanted but I know you will still be there! Xoxo You gave so freely your holistic knowledge. You always helped horses, people and all creatures so passionately. You definitely embodied dynamites slogan with all of your being!

“ My deepest sympathy for your loss. May our Heavenly Father Jehovah strengthen you with His promise to swallow up death forever and soon end all our suffering. (Rev. 21:3-5; Isa. 25:8) May His promises also comfort you during this difficult time.

“ You took me under your wing in 1996 and changed the course of my life forever. I have so much gratitude in my heart and a million words but none are sufficient. You are loved by so many and will always be missed and yet held near and dear to all of us in our hearts and in how we are now better equipped to help our animals. Godspeed Judy- we love you.
