“ June was a friend with a very big heart who went out of her way to make everyone feel special. She will be missed by many, many people here in Bend. It is a pleasure to donate money in her name to an organization that also goes out of their way to make people feel special.

“ The Fowler family is very saddened to learn about June. Both she and Walt were dear friends of our parents, Jim and Jane Fowler, and we considered them treasured friends. I will make a memorial gift in June's name to Bethlehem Inn.

“ To Julie and family : Your moms passing was shared in the Friends of the Bend Library Book Cellar today. My late wife, Donna, and I had the pleasure of volunteering with her there since 1987. Kay told me that June was one of the "originals". I wish to express my condolences to you and everyone else in her family. Rest in peace June.

“ Julie and family, Your mom was such a good friend to my mother, Marj Johnson. I remember fondly her smile and graciousness. My heartfelt condolences to you and your family. I loved your FB post on the circle of life. Right on!

“ Dear Julie and family, I was sorry to read your Mom's notice in the paper. She was a very special person! She was always very nice when I would see her at the eye doctor's office and we had lots of good conversations about the worth of a good education and what the family was up to at the time. We'd stop a talk in the grocery store sometimes and she would tell me about her latest travels, what an independent spirit, I believe she would try almost anything at least once. I'll miss running into her and having a nice conversation.
