

Kali Jo Solorzano

May 18, 2005 - April 12, 2024

Kali Jo Solorzano lost her life on Friday, April 12, 2024 in Bend, OR. Our community grieves with her family and friends. This has touched a great portion of our community, and we share in the grief of her family and friends and offer our unwavering support as they navigate this profound loss.

Kali was born May 18, 2005 to Ashley Kerfoot and Mark Solorzano Jr. in St. Charles Hospital on May 18, 2005. From her arrival at 1:57pm, the nursing staff declared her a “force to be reckoned with” - and she was! She was the type of child who ran until she dropped but was never tired. Her antics growing up kept her parents on their toes as she cleverly finagled an escape from all manner of cribs and toddler contraptions, with a mischievous grin and squeal of stubborn delight at being chased and brought back into her bed. By the time she entered grade school, her artistic abilities and creative, imaginative writing was on full display. Some of these artistries caught the eye of Camp Caldera and she received an

invitation to join that organization during one of her middle school summers.

Enduring high

school through the pandemic, she graduated with her boyfriend Roan and

best friend Claire

firmly by her side.

Kali was preceded in death by her grandfather, Mark Sr. and great-

grandmother, Sue. She was

survived by a large family, including her parents Ashley and Mark, stepdad

Robert, sisters

Genesis, Mia, Ariana, and Alexzahandra, stepbros Mason and Robert Jr,

grandparents Phil &

Sherry and Tracy & Robert and a plethora of aunts, uncles, and cousins.

Please come alongside this family to grieve and celebrate the life of our

beloved Kali Jo on May

11, 2024 at Hanoi from 6:00 p.m. to 8:30 p.m.

Kali's unapologetic honesty and fearless demeanor leaves behind a legacy of

authenticity. She

never shied away from speaking her truth - even if we didn't want to hear it -

leaving an

unforgettable mark on all who had the privilege of knowing her. Her creative

and vibrant spirit

will continue to illuminate our lives through the beauty she created and the

multitude of ways

she brought our inner natures out.

Tribute Wall

DA

“ *I pray for everyone who's life was affected by her death as it comes as a shock, but God's light will always shine bright and her memory will never be forgotten. Amen*
