“*Mrs. Reid was my 5th grade teacher at Buckingham Elementary in 1989 and also in 1996 when I returned my senior year of high school to be her cadet teacher. Now with my own children starting school, I hope and dream they experience a teacher that can leave such a life long impact as Mrs. Reid has for me. She advocated for her students and found a gift in each child. I remember that the Tiananmen Square protest happened while I was in 5th grade because Mrs. Reid assigned us to go home and read the newspaper and to keep a journal on global current events. It was one of the first times I had been exposed to life outside of Bend and easily part of the reason I have travelled the world and made my home in another country. My heart breaks to hear of her passing but each time I hear Martin Luther Kings I Have a Dream speech I can still recite my heart all of the wisdom and glory thanks to Mrs. Reid. What an amazing woman and gift she was to all who knew her.*

“*My dear daughter Jamie was so very priveledged to have Mrs Reid as her beloved teacher in the fourth grade at Lava Ridge school. Jamie helped take Mrs. Reids sweet little doggy Luxy out for walks.. as all the children took turns giving the doggy little potty breaks. Jamie enjoyed helping Mrs Reid and she tells me that this was her best year at Lava Ridge.. having Mrs. Reid as her teacher. My mother and I accompanied Kathy and her class to the state capital in Salem. How grateful I am that my mother took a wonderful picture of Jamie and Mrs Reid. We all had so much fun that day. Kathy will be deeply missed. She leaves behind a legacy of learning, love and laughter. RIP sweet Kathy.. you will never be forgotten.*

“ I am so sorry for your loss. Kathy was a wonderful teacher and person. My son, Devon was lucky to be in her class for his 4th & 5th year at Lava Ridge. She was made a huge impact on him and I am sure, many others. May she rest in peace. Sincerely, Shelley Zarosinski.
