“ *Kathy, I will miss you terribly. You were a great person and a great motivator in my life. I will always remember our talks on the way to the bank when we both worked at Michaels. You pushed me to try a new career path and only had nice things to say about me. You were a bright spot and person everyday I saw you and you made life so much easier. My thoughts and prayers are with your friends and family. You had such a love for your family, husband, and grandkids. I hope to take some of the things you taught me and apply them to my life. Thanks for everything, Cameron*
