

## Larry D. Schierling

March 13, 1958 - December 26, 2013

Larry Schierling passed away at his home in Bend, Oregon on Thursday, December 26, 2013. He was born on March 13, 1958 to Marlin and Alice Schierling in Sun Valley, California. Larry grew up in Southern California until he and his wife relocated to Bend, Oregon in 1989. Larry was preceded in death by his parents, and his younger brother, Dale Schierling. He is survived by his wife Carmen Schierling, his older brother Neal Schierling, his older sister Nancy Schierling and his younger sister Ann Schierling, as well as numerous nieces and nephews. Over his lifetime, Larry worked in a variety of occupations, but he most enjoyed real estate, inventing and working at patenting his creations and flying his homemade RC airplanes. Larry was a very outgoing, compassionate person and loved meeting new people. It was easy for him to strike up a conversation and remember other peoples names and trivial information about them which endeared him to others. As such, he made friends very easily and people enjoyed being in his company. Larry was intelligent and a mentor to many. A private memorial service was held for Larry on Sunday, December 29, 2013 at 2:00 PM at Church of the Nazarene in Bend, Oregon and a reception was held afterward.

“ *I will always remember Larry as one of my awesome brothers that I used to spend a lot of time with. Ever since we were young kids growing up together in California, we had a close connection. Im going to miss all our phone calls, asking him for advice on something, dinners out together, our walks down by the river and catching a movie together in town. Larry was a great brother, mentor and friend and I will miss him forever. I love you, Larry.*
