“ My Mom and Dad, Shirley and Emil Beguhl, always spoke so highly of you and what a treat to find out you were our neighbors in 1978! We were fortunate to spend time with you when Erik was born. You were among the precious few who enjoyed a long and happy marriage 76 years! Please know that our thoughts and prayers are with you, Rosabelle and your entire family. May God bless you all. With love from the Ekstrom family, Lynne, Herb and Erik

“ Lloyd was a man of God. The Lord led me to him 25 years ago and he and Rosabelle mentored my wife and I before we were married and have been friends ever since. We know the Lord has Lloyd busy in his new body and he is smiling and running and praising God. See you again someday my friend.

“ So sorry about your loss. Lloyd was such a witness to Dale & Me and I know that is why Dale and me and the Family are serving the Lord. He was a mentor to us all. Our granddaughter said that I grew up with him and he was like another grandpa to me. We will all miss him a lot. We loved going to their home, or our home and playing hand and foot. It was fun times. Dale has really missed going to Sharis and just talking for hours while Rosabelle went to a luau. I was so blessed to be with him the last days. We all miss you Lloyd. “ *What can one say for a man as special as Dad? He was full of love, smiles and joy. Dads strong belief in God and his love of family and friends added to his 95 years of happiness. Have I told you lately that I love you?. I do and always will. Thank you for so many things: teaching me how to care for our raspberry bushes, talking to me about our passion for fishing and for giving me the opportunity to love you and your family. I just know you are singing your heart out in Heaven.*
