“ I met Margie in 1983 where we both worked for Midstate Electric. Margie was one of my dearest friends. We spent a lot of time together- usually on breaks and lunch. When I met her, she had an old orange car and we would cruise the (few) streets of La Pine during lunch. Sometimes we would take a walk or sit in lounge chairs and watch the traffic on Hwy 97, there wasn't much back then! Margie always had a smile on her face. She was a good friend. She was kind and helpful to other people. The last time we visited was lunch at Red Robin. She was enjoying her retirement and as usual, was smiling! I will miss her. Rest in Peace Dear Friend.

“ Margie was a High School friend from Bend Senior High class of 68 ! This may surprise a few people but we had some crazy times together! A group of girls 16-17 years old laughing, cruising, and always BOYS! Parties at the gravel pits and sneaking out. We tried our hand at Piercing ears(ice cubes and big ugly needles). Margie also had a quiet wicked sense of humor. These are the memories that many of us that were lucky enough to share those wonderful years will hold dear!

“ Margie was our friend and lived just a few blocks away. She was a quiet and sweet woman with a big heart. She loved her little dog Paloma with all her heart. We were lucky to have spent the evening with her just a couple of days before she passed away. She will be truly missed by all her friends here in Bend.

“ *Our condolences to the Allen family. Margie was a very nice person. We came across an old picture of her when she was cross country skiing with Bob and Gayle and our family. I'd be happy to take a picture on my phone and send it to anyone that might be interested.*
