“ *Betsy and Jeff, we are so sad to hear about your mother's death. She was very dear to us all - and certainly to me, we corresponded fairly regularly over the years. I have tried to reach you both - please let me know if there will be a service I can attend. Love and hugs to you both xoxoxo*

“ I will miss Ann at the Athletic Club of Bend, where she loved to exercise when not exercising outdoors. She was so kind, always smiling and so happy to be working out and around her friends. It won't be the same this summer not seeing her sitting on the lounge chair in the grass by the outdoor pool reading a book. I will always think of her, especially in the summer. Sending love to family!

“*Dear Betsy and Jeff.....it is with a heavy and sad heart that I send you my condolences.....I lived in Rancho Bernardo and moved to Bend in 1990.....Ann and I didn't know each other there but through mutual friends got acquainted here soon after she moved to Bend.....we had regular meals together at Bend Golf and Country Club.....enjoyed the Community Symphony and.....and (I have to look up the year) were roommates on a bike ride through the burgundy wine country in France.....she was the star of the trip.....it was her goal that we would finish first and by golly we did!!! We had the time of our lives!! She was so proud of the two of you and loved you so much.....our paths have gone in different directions but she will always be remembered as a very special friend in my life journey....I will be making a contribution to Visions of Hope in her memory.....*
