“ Leon and Karen, I was so sad to hear of Marian's passing. My deepest condolences.. she was a great lady. I worked with her at Dr Tim's office for many years, and one of my favorite memories of her was that now and then I'd go home with her for lunch, and we'd have tuna sandwiches with the best pickles! That was so special to me! She was such a good friend to my parents, and I just enjoyed her so much. I know you must miss her terribly....my heart goes out to you. Karen Duncan

“ She is with her beloved husband and son. Marian was always "mom" to me. I am so sorry. I have such fond memories of all the dinner celebrations we shared. She was one of the kindest people I know. My thoughts are with you.
