“ *Joni and family ~ I am so sorry to hear of the passing of Mark. My love, thoughts, and prayers are with all of you during this difficult time. It is never easy losing a loved one, and yet still so young and a lot of life left. May Mark rest in peace, and may your memories be with you always of the fun and amazing time you have had together. Love and Blessing ~ Theresa Van Nice and family*

“ *I have admired Marks energy and warmth since the day I met him. He was cooking breakfast for the youth group at St Francis. Hed arrived at dawn and did the grill for over 100 people. Telling jokes and smiling, he then scraped the grill as if it were a fun job. A seemingly tireless and joy-giving man, I later mentioned that Id love to get a fence around the school garden. Of course, his response was, Yep, Id be the guy. When do you want it? He showed up and let the kids tell him how to do it. His enthusiasm and love for others, his love of his job, and his beautiful daughter, Anna, whom I came to know in youth group, will always be a reminder to me of how to live your life. In gratitude, Mimi Graves*

“ I knew Mark for 41 years, we were college roommates, fishing buddies and work mates on all sorts of building projects and a few zany ideas. Mark was that person we all wish we could be like, always upbeat, looking for the next thing to accomplish without a hint of complaint or whimper. My heart goes out to his beautiful family. His wife Joni, daughters Holly and Anna, and his son Joe. You can all be proud and rest well knowing you had the best husband and dad one could ever hope for. All my love to you.
