“ Ide definatley have to say with 100% sureness, Mr. Sag was always one of my favorite teachers, if not the favorite when I was a youngin! He always had a way of gathering a persons, especially a youngins attention. Always able to meet one in the middle, and with a brightness, that he carried with him, he had the gift of HEART. A truly awsome man. Anyone that knew him, knows that he was a blessing to us all. And a famous saying that I use sometimes, and everytime that I do, Mr. Sag comes to mind! FAIR ENOUGH ! ?
