“*Mary Jean was a dear friend. She was always so upbeat and positive! We enjoyed our visits with her so much! Our conversations always turned to travel - she had gone to so many interesting destinations - and she always told us to "keep our bags packed."* We will surely miss her and our visits when we travel to Bend in the summer. Thank you for your joy and friendship Mary Jean! You will always be in our hearts and our thoughts!

“*I am so sorry for your loss. May the words of our loving heavenly Father bring your family comfort and strength during this most difficult time as He promises to bring our loved ones back to life in a perfect world where there will be no more suffering or death (John 5:28-29 & Revelation 21:4).*

“*I knew Betty for my entire life. She was considered one of the Moffitt family. The connection was made originally at Odell Lake. She was known for being intense with a fly rod. She will be missed. My mother and brother are not in well enough health to attend the services and I have a commitment that i could not break.*

“ Our dear "Aunt Betty", So special to each of us. She was as close to a relative and mentor as anyone. She always had a listening ear and thoughtful concern. Her words of wisdom I have recorded in journals for many years, not to be forgotten. She was so elegant in all she did and said, making one feel special. One of her bits of wisdom that stands out for me," Show me to whom you walk and I will show you who you are." She walked the talk. I loved her and will miss her.
