

Maryann Heath

December 18, 1961 - October 24, 2023

Maryann (Elliott) Heath, a loving sister, mother, grandmother, aunt, wife and friend passed away to her final resting place on October 24, 2023 at the age of 61.

Maryann is survived by her daughter, Saralee Stemper-Elliott, and grandson, Cannon Ray Kraft. She is predeceased by her parents, Jack and Jean Elliot, her younger brother, Daniel Elliott, and her late husband, Michael Heath.

Maryann was born on December 18, 1961 to Jack and Jean Elliott. She was the second youngest of eight children. She graduated from Seaside High School in 1980 and brought the joy of her life, her daughter Saralee, into this world on August 10, 1981.

In the fall of 1990, Maryann followed family from the coast to Bend, OR, where she lived the remainder of her life. Her lifelong hobbies, which ultimately became a career, were gardening and raising chickens, goats, pigs and ducks. Always a tomboy at heart, she reignited her passion for hunting and fishing when she met her true love, Michael Heath.

Maryann's faith in a higher power remained strong until the end. All are certain she is at peace rejoining lost family and loved ones in heaven. She will be missed tremendously by those who loved her. But now is forever free to fly.

Maryann's ashes will be spread by her family in a small ceremony at the Oregon coast later this month. A larger celebration of life will be scheduled for the spring of 2024.
