“ Naomi Smith aka Auntie Red. I feel privileged to have called you my Auntie Red but most of all I will remember the evening conversations we had when I would travel through Central Oregon on business. You're concern for your family especially those who still had not come to our Lord. Your commitment of service to the needy in Sister's was "call from God" that you obediently full filled. Your heavenly departure leaves a void here on Earth - I can only imagine the rejoicing you are having with our Lord. Your nephew Jimmy Lee.
