“ Dear family of Phyllis Johnson - We were saddened to hear of your loss. Over the past years we have heard stories of your mom in Camp Sherman, and how much she meant to her friends here. Her memory lives on in her home we occupy, and little things she told us about life here have become a big part of our memories here. Our thoughts are with you, Scott & Katie Perkins

“ Dear Family, I am sorry for your loss. Phyllis was such a sweet and wonderful lady to all of us at Touchmark. I worked in her home just last week and as always enjoyed her conversation. She was always very grateful for the work we did in her home and always treated us with the utmost respect. We will all miss her. Kelly, member of Touchmark Maintenance
