We want to make you feel our most deep condolences, we know and understand that its vey hard to accept mainly when its about that one person thats so kindly finished that way so cruel and harsh. Were praying to god for her and for her family, I also give thanks to god by putting this beautiful family when more I need it was when we arrived my children and I to Mexico your support was one of the most important for us because it was more than anything spiritual help taking us to church, pray for us and it is this that held us strong both my kids like me, will never forget when we were friends English classes, and she gave me a ride, could not drive due to lack of a license and gave it everything without I expect nothing in return, do not understand why it had to happen to her.

“ Dear Family of my sweet friend Pivo, With all of my heart I want to send you my deepest condolences. Pivo has been in our home so many times over the last 5 years. She has been a help and a friend to us since moving here to Bend. She helped us maintain our home as we were struggling with a sick family member. She was very proud of her children and always had kind things to say about them. I know she was trustworthy and thoughtful. She always was dependable and forgiving when I was not. She is a true sweet lady! My heart broke when I heard the news. I think of her throughout the day and pray that you will have feel peace and comfort knowing she is with our Heavenly Father now. I am very sorry that horrible actions of another have left you with this tragedy. I hope you children will step up and live a life that your mother will be proud of . Again she was a wonderful person and I wanted to let you know that she made a difference in our lives. Hi I am, Marlen .
