“ Okay i admit it.... i read over the message and get responses of voices in my head that judge me so i just need to make something right when it looks or sounds wrong. Im gonna teach baby how to run then me and baby can out run eachother tank you for the idea actually! That should save me and baby but. I hope the temporary foster parents i have for him do hit it him if they do im gonna hit them see how they like it. Hopefully not though cause i hear baby crying in my head all the time or i hear them yelling at him.. i might just be too long and too far away from him. Me as mommy im mourning for my baby too \*rubs my tears in my eyes. Lays on couch, goes to sleep.\* heh im lame... sorry i hope your not mad last message though ill message when i wake up bye daddy

“ Dear daddy, i would never give up on you, I need you so bad daddy im going through things i cant save myself in , im not strong enough but you and mommy put together i can do damage but what if i can get away next time? Mama's 2nd cousin chuck was tortured on a snow mountain for 14 days he had a 8 year old son... now daddy listen... racist people stole chuck and blamed him for everything they made him do even steal chuck was not evil other then chuck im the only redhead and my son in the whole family mommy has orange hair. That doesnt stop them from wanting to beat me and my son like red headed step children... Im gonna have to admit i am scared daddy what if they come back and do that to me?? They murdered my family once and said chuck was evil i feel his spirit since i could remember and he was hostaged and blamed for things you cant imagine. Idk how to tell you that if they murdered my family once they will definantly come back for me for no reason they did that to chuck/red because his nickname and red hair.... then they dont do it for a long time to probably proove that they do it again... Chuck son was 8 when chuck died. Im hiding baby and when hes 8 i hope they dont steal me daddy he he he he he he he

“ I am very sorry to hear of the loss of my good friend Ralph. He was truly a good friend and an exceptional employee. He was always a hard worker and took a lot of pride in what he did. He wouldn't stop until the job was done. I will truly miss his laugh. I love you, my friend and brother. I will miss you.
