“ Rhett came to our home on several occasions when we had to call 911 for my dad. He was always so kind, patient, and just a wonderful person. No matter what the situation, he had a way of calming you down and bringing peace into a tense situation. Thank you for all you did Rhett. You will be missed.

“ It was an honor and privilege to have known him. Fond memories with him when we worked together in the lab at St. Charles. Also, when he lived in the neighborhood behind me. You will be so missed. God Bless
