“ Dear family of Mr. Maxwell, Although you do not know me, I would like you all to know that Mr. Maxwell impacted my life in ways that I cannot explain. I first knew of Mr. Maxwell after he came to visit my school, Bend Senior High School, and told us of his courageous life story. I am now graduated and live away from Bend, but the memories of him from school still impact me positively. I wish you all well, and hope that in this time of sadness you find happiness within his memories.
